**TERMS: Fifty Cents per year, IN ADVANCE      Single Copies Five Cents**

**DISCONTINUANCES** — We find that a large majority of our subscribers prefer not to have their subscriptions interrupted and their files broken in case they fail to remit before expiration. It is therefore assumed, unless notification to discontinue is received, that the subscriber wishes no interruption in his series. Notification to discontinue at expiration can be sent in any time during the year.

**PRESENTATION COPIES** — Many persons subscribe for friends, intending that the paper shall stop at the end of the year. If instructions are given to discontinue they will receive attention at the proper time.

**THE DATE ON WHICH YOUR SUBSCRIPTION EXPIRES** is printed on each issue opposite your name. Please remit for renewal two weeks before this date. Please give your *exact* address in every letter. When requesting a change, give both the *old* and *new* address. Do not omit the *Mrs.* or *Miss*.

**OLD OR NEW** — Kindly state when sending in subscriptions whether the name is *now* on our list, or whether it is a new name to be entered.
